

THE MUFFIN SHOP

Three little muffins in the muffin shop,
You know the ones with the honey and the nuts on top?!
A girl came along with a penny to spare,
And she grabbed that muffin and RAN outta there!

Two little muffins in the muffin shop,

One little muffin in the muffin shop,
You know the ones with the honey and the nuts on top?!
A girl came along with a penny to spare,
And she grabbed that muffin and RAN outta there!

No little muffins in the muffin shop,
You know the ones with the honey and the nuts on top?!
Along came a girl with a penny to spare,
And she—what?! No muffins?!
Oh well,
Guess I'll have a croissant instead
