REFINED DESIGN

The PLAZA vanity stands out with its **recessed accent facade**, enhanced by a **hidden lighting** source which is always included.

Customize its accent facade from over 500 combinations of materials and finishes to create a space that reflects your style.

The PLAZA is offered in **three distinct versions**; contemporary wall-mounted, metallic and transitional with legs.

Our quartz countertop is available in **two thicknesses**: a **3/4" version** and a **slim 3/8" version**, to suit your aesthetic preferences. The **PureSolid 1/2" vanity top** adds a modern touch to your bathroom.

The PLAZA furniture has been designed to allow two users to carry out their daily routine simultaneously. By combining a PLAZA 42 sink, a large-format vanity and a mirror/medicine cabinet, each user has their own medicine cabinet and a set of drawers. This configuration optimizes morning routines for two!

Complete your layout with our slim medicine cabinets of refined proportions, equipped with **laminated double-sided mirror** doors for a flawless finish.

AvanTech YOU

The AvanTech YOU drawer system is distinguished by its outstanding performance, variety of designs, flexible layouts and discreet technology. Use the adjustment capabilities (vertical, lateral and tilt) to obtain reveal alignment for your front panels.

Storage optimization

The storage space is optimized to offer maximum volume depending on the selected sink **for the SKYLINE-16 hidden drawer**. The integration of the **PLAZA** sink maximizes the available storage space in the top drawer of the SKYLINE.

Example: SKYLINE-16

PUSH-TO-OPEN SILENT DRAWER MECHANISM

With the push-to-open silent system, the drawer opens by a slight pressure on the front panel and closes softly and smoothly.

For large drawers, the synchronizing bar allows the mechanism to be activated even when pressing on the edges of the front panel.

Option sold individually, depending on the number of drawers.

LINEN CABINET

Enjoy assisted opening by choosing the push-to-open silent option. Its piston automatically retracts to allow for a soft and smooth closing.

Interior lighting activated by door opening.

Adjustable glass shelves.
